SHOW REGULATIONS

JUDGING. Beef Cattle will be judged on the Cattle judging area.

PENNING. All stock must be penned by 12 noon Tuesday.

ENTRIES. Entries in Group Classes will be drawn from General Classes.

No animal is allowed to compete in more than one class unless specially provided for.

Any animal, which in the opinion of the Council's Cattle Steward or Breed Inspector is not suitable, shall not be exhibited at the Society's Showgrounds.

If any animal entered in any class for an exhibit of age under 18 months has, or shows, evidence of having had a permanent tooth or any animal entered in any class for an exhibit of any age under 24 months has, or shows evidence of having had, more than two permanent teeth then such animal shall be ineligible for exhibition.

Should the Society be of the opinion that the coat of any exhibit has been tinted or coloured in any way, the exhibit shall be ineligible for exhibition at the Show.

Full particulars must be stated on entry form - breeding number, colour, pedigree and herd book number, if fixed.

In the event of the Society receiving more entries than can be housed the Society reserves the right to determine which entries will be accepted.

Exhibitors of declined entries will be notified & entry fees refunded.

Any exhibitor making an entry will be subject to a penalty of \$10 for each entry not penned unless they notify the Society in writing, at least 10 days prior to the Show, or they lodge with the Society, prior to judging day, a veterinary certificate giving adequate reason for non-exhibition. Non payment of such fines shall result in the barring of the exhibitor from exhibiting at future shows held by the Society.

Substitution of entries will not be allowed under any circumstances.

All animals must be registered in accordance with the rules of each recognised breed society and satisfy the requirements of the RAST and the Breed Inspector.

GROUP CLASSES. If an exhibit is shown in a group, it must only be shown by the one exhibitor for the duration of the Show in Group Classes.

INTERBREED. Exhibits entered in any of the specific breed classes are eligible for the Interbreed Competition. All judges for general classes are to officiate in the Interbreed classes. An independent judge shall be appointed who shall also judge each class. That judge's card shall not count towards the final result except in the case of a tied score, and then only to differentiate between tied entries. Each judge shall select the top six entries in each class in order of merit and the steward shall award points on the basis of: 6 for 1st; 5 for 2nd; 4 for 3rd; 3 for 4th; 2 for 5th and 1 for 6th. The entry gaining the most points overall shall be the winner of that class.

BULLS. All bulls 12 months old and over are to be tied-up at night with strong halters and neck straps.

All polled cattle are to be fitted with a neck strap.

All bulls 12 months old and over are to be ring-roped whilst being led. *This regulation will be enforced.*

Bulls under 2 years may be mouthed.

BREASTPLATES. Each exhibit, whilst participating in a Judging Parade, must, for identification purposes, carry a breastplate provided for the purpose by the Society in such manner as the Society may direct and in particular so that it may be readily seen by spectators and so that the animal may be readily identified by the number assigned to it.
