SHOW REGULATIONS

ACCEPTANCE OF ENTRIES

The Society reserves the right to accept or reject any entry without assigning any reason. Exhibitors entering their horses do so entirely at their own risk, and it is a condition of entry that no liability of any kind attaches itself to the Society, its Council Officers, Officials or Members in any respect whatsoever, other than the liability for refund of entry fees in the event of abandonment of any competition.

COMBINING OF CLASSES

Should special circumstances arise, the RAST reserves the right to combine classes, vary conditions and alter classes as it sees fit. The judge will also have the right to transfer entries from one class to the other.

RULES

Jumping and Pony Club events are conducted under the rules and regulations of the FEI, Equestrian Australia (EA) and Pony Club Association of Tasmania (PCAT). RAST Regulations also apply.

EA rules apply to current EA Show Horse members. Show Horse Council (SHC) rules apply to SHC members.

All breed/colour exhibits will be judged in accordance with the standards of the relevant, RAST recognised breed associations.

MEMBERSHIP

Exhibitors entering in saddle classes are not required to be affiliated with or be a member of any equestrian organisation.

Exhibitors entering in breed/colour classes are not required to be current members of the relevant breed or colour associations.

VEHICLE PASSES

A restricted vehicle pass will be issued to exhibitors. A vehicle pass will initially admit vehicle and driver only. The driver will then require either a membership ticket or purchase a gate pass to gain re-admittance to the showground.

PERFORMANCE

Qualifying performances are NOT required for entry in the 2011 Royal Hobart Show.

MEASURING

All horses entered for the Royal Hobart Show, with the exception of breed/colour classes, must hold a current height certificate issued at the RAST measuring facility. Height certificates must be carried and will be checked in relevant classes before the class commences.

Should a horse be found by the RAST Measurer to be over or under the height for the class in which it is entered, it can be transferred to a corresponding class in the appropriate height range by requesting the change at the arena office. Entry in the appropriate height class will **not** be permitted until the transfer has been registered at the arena office.
