Emergency Services and Police - Red Buildings on Map

The Police Building and the St John Ambulance First Aid facility is located at the left at the top of Showground Drive.

St John Ambulance First Aid personnel provide a roving service in the event that a Show visitor may need medical assistance.

Facilities for health and comfort

The Royal Agricultural Society of Tasmania is committed to providing clean facilities for Show patrons and toilet blocks are marked on the ground plan. Toilet facilities are also located within and beneath the Main Grandstand and at each end of the Old Grandstand.

Toilets are also located adjacent to the Defence Force Display, adjacent to the Showbag Pavilion and behind the Police building. See the map for the location of toilets for disabled persons.

Ground safety

Animals have priority! Animals are unpredictable and Show visitors are therefore ask to act in a responsible manner when in the vicinity of all animals. Children should not be encouraged to pat animals other than under supervision in the Animal Nursery. Hands should always be washed after touching animals. The RAS can not take the responsibility for incidents that may result from irresponsible behavior by adults

Licensed Areas

Alcoholic beverages may only be consumed in licensed areas namely Public and Member's Bar in Upper Level Main Grandstand in the Food & Wine Gallery.

Baby Care

Nursing mothers and parents can use the feeding and change facilities that are located at rear of Main Grandstand.

Smoke Free

All buildings including animal pavilions at the Royal Show are designated smoke free areas. No smoking is permitted in any
