CLASS 1 Riesling 2009

Comments: Many wines well made but lack varietal intensity. Several wines showed VA mercaptan - suffusing. Golds are excellent but generally the class reflects a difficult season.

CLASS 46 Pinot Noir 2008

Comments: The top wines are excellent showing purity of fruit and skilful tannin management. Too many basic faults such as oxidation, over extraction, often through trying to engineer complexity into unsuitable fruit, similarly oak in some cases was unsubtle, overwhelming light fruit.

CLASS 47 Merlot 2008

Comments: Disappointing class with too many flat (high alcohol) and extracted wines which may well be a feature of vintage. Makers should concentrate now as showcasing fruit rather than (tannic) oak.
