4. The back of each print must bear the maker's NAME, TITLE, CATEGORY and NUMBER as on the entry form.
5. All entries must conform to the definitions shown below.

DEFINITIONS – provided by Australian Photographic Society Inc & RAST.

Photograph – a visible image originating from the action of light or other forms of radiant energy upon a photosensitive medium of device. A photograph is a work that retains obvious evidence of one or more photographic images that are predominant in the picture and taken only by the author. A photograph consisting entirely of one's own or another person's art form, not of photographic origin, is inadmissible.

Inspired by Agriculture – The Royal Agricultural Society of Tasmania is dedicated to the promotion and advancement of agriculture and related industry in Tasmania. Photographs that have been inspired by anything agricultural are eligible for entry in this section. It can be crops, animals, people, scenes or icons of agriculture or it can be of industry, downstream processing of products or related industries. The original image must have been taken by the photographer, whatever photographic medium is used. Any manipulation or modification of the original image is limited to minor retouching of blemishes and must not alter the content of the original scene. After satisfying the above requirements, every effort should be made to ensure the highest level of artistic skill in all photographs.

Open – Any subject matter is permissible, may include **Creative/Experimental**, where photographs display a novel effect because of an unusual combination of objects and/or unusual viewpoint, or in which the photographs have been modified during or after exposure by using an experimental technique. The photograph must always have a basic photographic image. Digital processes may be employed providing the original photograph was exposed by the entrant.

Black & White – Any photograph containing shades of black and white.

Colour – Any photograph that is printed in colour.
